Heard the counsel for Sri H. Viswanath on 2nd Sept 48
After hearing the arguments advanced by both the counsels I form my opinion as follows
the counsel for respondent who argued 1st pointed out that (a) the petitioner has not filed his appeal before the District Commissioner Tumkur within 7 days from the date of election as required under Sec 12 of Town Municipal act, (b) that the objection petition has not been signed by three Municipal councillors as required under Sec 12 of election rules of Vide preamble & (c) that the respondent has not violated the election proceedings nor is he disqualified to be a member

Member as he is said to have influenced the authorities in connection with an exchange of lots between himself and the Municipality, about which the case is pending before Government.

The Counsel for the petitioners pointed out (a) that the respondent is engaged against the proceedings of the Bill in connection with the exchange of the above immovable property about which the file is pending before Govt for final orders, (b) that the president ignored the objection petition filed by the petitioners at the time of nomination of candidates for the vice presidentships and (c) that the president has retarded the election by postponing the date of election.

I have carefully perused the records and heard the arguments from both the counsels with reference to the Town Bill act and election Rules. The point raised by the counsel for respondent that the appeal before the Deputy Commissioner has not been filed within seven days from the date of election does not hold good, as the petitioners did file the appeal before the Deputy Commissioner Trichur within 7 days as per the limitation act for the

Note—Contn Sheet

the 2nd point that the appeal petition
was not been signed by Three Councillors,
it is borne by a fact as traced
out in the records As regards the 3rd
point that the election is not vitiated &
the party is not disqualified by
a proceeding pending before Govt
in connection with the exchange of a site
between the respondent & the Municipal council,
the party could not at that time influence
the Govt or president of the MC as a
member of the MC, such the case was
even at that time pending before
Govt

As regards the 4th objection raised
by the petitioner that the president has
ignored the objection petition filed by
him at the time of nominating the
candidature for election, the president
was not competent to disqualify
any member from contesting the
election so long he was a nominated
member of the council and hence
the decision taken by the president
is perfectly in order the 2nd point
that the president postponed the election
for his personal inconvenience is
a very minor issue which has not
vitiated the election, as the petitioner
who has secured equal number

number of Votes the 3rd point that the respondent has engaged himself against the Pl interest in connection with case of exchange of Cote between the parties & the Pl is a matter pending before Govt for final orders and the party cannot influence the Govt either by being a representative or a Municipal Councillor

Under these circumstances I find that the appeal petition filed before the deputy Commissioner Tumkur on 31-3-11 & was not signed by three Pl Councillors as required under Sec 12 of election rules of res pondent and hence is not in order the other points raised by the petitioner have been answered above & they are not valid grounds to set aside the election therefore the appeal petition is rejected and the election of Sri P K Nanjundaiah as vice president of Madhugiri Town Pl is approved

In person by the Adv for Petr

Under Rule 14 of the rules regulating the election of the Vice-presidents of the Town Municipal Councils and S 12 Sub Secs (3) of the Town Municipalities Act, the Petitioner ~~h~~ prays that the election of the Respondent as the Vice-president of Madhugiri Town Municipal Council may be set aside and re-election may be directed to be held on the following grounds --

FACTS OF THE CASE IN BRIEF

The respondent had before the date of election attempted to purchase two valuable sites belonging to the Madhugiri Town Municipal Council for a very small amount under cover of a resolution of that Council which he managed to get passed on that matter The Municipal Council was soon after awakened in this matter and finding out the loss that was about to be caused to Municipal property

P T O

2

property by the conduct of the respondent passed a resolution on 31-5-1947 cancelling the previous resolution with regard to the grant of these sites to the Respondent The Government has also disapproved of this grant in favour of the Respondent by cancelling the resolution of the Municipal Council in that behalf But the respondent persisting in his conduct to get the sites at a nominal value moved the Government for revising its order and even obtained a stay order which was passed by the Govt on 14-2-1948 staying the disposal of the sites pending spot inspection In this way he was at that time engaged in a proceeding against the Municapal Council within the meaning of S 12 Sub-Section (2) b, (iii) of Town Municipalities Act His conduct also comes within the meaning of S 12, Sub Section (2) (b) (i) of the said Act in as much as he had directly or indirectly interest in the sale of immovable property belonging to the Said Town Municipal Council at that time Consequertly he had became subject to the disability from continuing to be a Councillor at that time and his Office had become vacant as contemplated in S 12, Sub Section (2) of the said Act

(2) Just about this time proceedings were started for the appointment of the Vice-President for the said Council and according to the Calendar of events the nominations had to be made and the list of Candidates had to be settled finally before 18-3-1948 by the President The Petitioner objected to the nomination of the respondent mainly on the ground that his interests at that time were adverse to those of the

the Municipal Council in the circumstances narrated above But the President without even hearing the objections of the ~~R~~ Petitioner settled the list of nominations on 18-3-1948 He, however, formally passed an order on a later date, i e , 19-3-1948 that the objections were not valid At the election held the Petitioner and the Respondent got an equal number of votes and in the casting of lots the respondent got elected This election of the Respondent now is pending approval of the Government --

GROUNDS OF OBJECTIONS

(1) The election of the respondent is vitiated by the basic fact that he was disabled from continuing as a Municipal Councillor at the time of the election both on the ground that he had interest adverse to that of the Municipal Council with regard to immovable property belonging to the said Council and was also engaged in a proceeding at that time against the Municipal Council and this came within the meaning of S 12 Sub Section (2) b (1) and (iii) of the Town Municipalities Act

(2) The Municipal President erred in settling the list of Candidates without hearing the objections of the Petitioner on the ground that there was no specific provision for that purpose in the rules

(3) The learned President has erred in not noticing that no specific provision was necessary for such a purpose and that it was an elementary rule of ~~National~~ natural Justice that the objections must be heard and disposed of before finally settling

4

settling the list of nominations

(4) The learned President has erred in postponing the dates fixed for nominations and the settlement of the lists of Candidates and for final election from February to March without any resolution of the Municipal Council to that effect and for some alleged personal inconvenience of his

(5) The election is also vitiated on account of the fact that a specific date calling for objections to the nominations of the Candidates was not fixed in the calendar of events and before the date fixed for the publication of final list of Candidates and on account of the fact that an order overruling the objections was passed without even hearing the Petitioner after the date fixed for settlement of the nominations of the Candidates

(6) For the abovesaid reasons, the Petitioner humbly prays that the Government may particularly because, the improper and prejudicial conduct of the Respondent has been made aware of by spot inspection both by the Deputy Commissioner and the Hon'ble Minister, be pleased on enquiry to direct a re-election to be held for the appointment of a Vice-President to the Madhugiri Town Municipal Council

(7) The Petitioner further prays that, pending disposal of this Petition the Government may be pleased to stay proceedings with regard to the approval of the election of the Respondent as the Vice-president of the Madhugiri Town Municipal Council

Sir,

Election of non-official Vice President to Madhugiri Town Municipal Council

In forwarding herewith the correspondence ending with letter No HC 23/47-48 dated 23 3 48 from the President, Town Municipal Council, Madhugiri on the above subject, I have the honour to state that the term of the Vice President of Madhugiri Town Municipal council was limited to one year under Government Order No L 12924-6/M1 113-47-2 dated 28 1 48 and that the election of the Vice President took place at the special meeting held on 23.3.48 in accordance with the calendar of events

The President states that three candidates viz , Sri P K Nanjundiah, M N Rama Rao and H Visvanath were nominated for the Vice President-ship

It is stated, that, in the first round, the name of Sri M N Rama Rao was elimipated from the list of candidates as he secured only one vote as against Sri P K Nanjundiah who secured 10 votes and H Visvanath who secured 7 votes Between the two candidates in the second round, Sri P K Nanjundiah and H Visvanath secured 9 votes each As both the candidates secured equal number of votes, it is stated that a lot was drawn in the presence of the councillors and that the name

7

Of the Madhugiri Town

9

the name of Sri P K Nanjundiah was first drawn. Accordingly, Sri P K Nanjundiah was declared duly elected Vice President

Sri H Visvanath preferred an objection petition to this Office on 30 3 48 and an enquiry was held by me as provided by rule 13 of the Rules relating to the election of Vice Presidents of Town Municipal Councils and the case heard when the counsels for both the parties were present The objections of Sri H Visvanath were found to be not valid for the reasons noted below -

The validity of the election of Sri P K Nanjundiah as Vice President has not been contested in the manner prescribed by rule 12 of the rules relating to the election of Vice Presidents of Town Municipal councils

The objection petition has not been signed by at least three councillors and filed within seven days from the date of election as the date of election was 23 3 48 and the date of filing of the objection petition was 30 3 48

Whether Sri P K Nanjundiah is engaged in proceedings against the Municipality and is therefore disqualified to continue as a Municipal councillor as per Section 12 of Town Municipalities Act does not arise as an issue for decision in this case The application of Sri P K Nanjundiah for grant of ~~exchange~~ exchange site cannot also be taken to indicate that he is engaged in proceedings against the Municipality However, this case is seperately under enquiry and any action that may have to be taken will depend upon the result of the said enquiry and the final orders that may be ~~passed~~ passed thereon

For these reasons, the objections of Sri H Visvanath are not valid and worthy of any consideration and rejected Approval of Government may kindly be obtained to the election of Sri P K Nanjundiah as non-official Vice President of Madhugiri Town Municipal Council, held at the special meeting on 23 3 48 and that his name may be caused to be notified in the official gazette

official gazette.

The objection petition of Sri H Visvanath and the objection statement of Sri P K Nanjundiah are herein enclosed for kind reference

To

The Deputy Commissioner

Tumkur District, Tumkur

Petitioner - P. Ganguriah Municipal Councillor
Madhugiri

The petitioner begs to submit as follows -

1 The petitioner and one H.Vishwanath contested the Vice-President election held on 23-3-1948 As each of them got equal number of votes it was thrown for lot The petitioner's name was drawn in the lot He was declared as the Vice President

2 Under Section 12 of the Election Rules any appeal should have been filed within 7 days from the date of election i.e 23rd March 1948 which expires on the 29th March 1948

3 The petitioner learns that Mr H Vishwanath has preferred an appeal i.e objection petition on the 30th March 1948 which is evidently barred by limitation only with intent to delay the proceedings and the taking of the charge

4 As the period is only for one year The petitioner respectfully prays that the objection petition may be dismissed

as barred by time and the petitioner may be permitted to take charge of the office

5 The petitioner reserves his right of filing his objections on other allegations of the petition filed by Mr Mis ...ata before this Hon'ble Court

Yours respectfully
P K Nayudamma

Adyar
Date 1-4-1948

In the court of the Deputy commissioner
Tumkur District
Tumkur

Petitioner-- R Viswanath

--Vs--

Respondent- P K Nanjundaiah

Objection statement filed by respondent

It is respectfully submitted as follows--

1 (a) The validity of the election of the respondent as vice president has not been contested in the manner prescribed by rule 14 of the rules regulating the election of Vice presidents of town municipal councils

(b) The election petition has not been signed by at least three municipal councillors as required by rule 14 of the said rules

(c) The election petition has not been filed with in 7 days from the date of election The election was held on 23-3-1948 The election petition has been filed on 30-3-1948 beyond and not within the period of 7 days from the date of election

2 According to rule 13 of the election rules, Deputy commissioner has to make enquiry into the validity of the objections to election upon receip of such petition as is contemplated by rule 12 There is no such petition before the Deputy commissioner which is signed by at least three councillors and which is presented within 7 days from the date of election the petition is therefore not maintainable and has to be dismissed without any enquiry In the absence of a petition as prescribed rule 12, it is respectfully submitted that there is no need to report proceedings of the enquiry together with the opinion of the Deputy commissioner thereon as govt as required by rule 13

3 The respondent does not admit the correctness or the tenability of any of the allegations set forth in the petition as grounds for impugning the validity of the election in question

4 The procedure prescribed by the rules regulating the election of the vice presidents of Town Municipal councils has been strictly followed in letter and in substance in the holding of the election of the vice-president There are absolutly no irregularities in the holding of the elections The respondent does not admit that the omissions set forth in the petition are irregularities which invalidate the election In fact, there are no irregularities at all The rules does not prescribe the fixation of any date either for the withdrawal of candidature or for preferring objections to candidature and for hearing the same the other grounds set forth in the petition as constituing irregularities

in the holding of the election, are ~~maintainable~~ wr remarks in law and erroneous in fact

5 The respondent has none of the disqualifications setforth in section 12 of the Town Municipalities Act which disables him from continuing to act as municipal councillor The averment in the petition that he is engaged in a proceeding against the municipal council ~~is~~ over time The municipal council passed a resolution about a year back sanctioning the grant of a vacant site vested in the municipality to the respondent in exchange for another vacant space belonging to the respondent both the sites were almost ~~in~~ equal in value though the vacant space which the respondent gave to the municipality was larger in area than the vacant site taken by him in exchange for his site pursuant to the resolution of the municipal council the president and the respondent executed in each other's favour a deed of exchange and got the same duly registered the government suo moto raised the propriety of this exchange transaction and the matter is pending decision before government The question at issue before government is whether the action of the municipal council has to be approved or set aside The respondent is urging that the resolution of the municipal council should be upheld and that it should not be ~~vetoed~~ vetoed by goverment This is ~~wrong~~ in not engaging in any proceeding against municipal council the municipal council itself is not acting against the respondent and is on the other hand interested in upholding the transaction The reasons setforth in the election petition that the respondent is disabled from continuing to act as councillor is untenable in view of the facts

6 The question of disability to continue as councillor under section 12 cl 2 of the Town municipalites Act is foreign to the scope of an enguiry into the validity of the election in question This question is independent of the validity of the election of the respondent as vice president and cannot be canvased in this proceedings This matter should have been raised in the first instance before the municipal council itself and the order of the Government under section 12 cl 3 of the municipalities Act would have been final in case of a dispute In the ausence of such final order by government the councillor -ship of the respondent cannot be brought into controversy in an election petition

7 The respondent denies the truth and correctness of all the other allegations in the election petition which have been raised as grounds for invalidating the el ction of the respondent

8 The respondent therefore prays as follows---

(a) that the election petition may be dismissed on the ground that the election petition has not been signed by at least three counsilors and that it has not been presented within seven days from the date of election

(b) that alternatively in case this hon'ble court finds that an enquiry is necessary and that a report should be submitted to Government with the opinion of the Deputy commissioner thereon a recommendation may be made in favour of approving the election of the respondent as vice-president
